

CONNECT GROW SERVE in 2016

There are lots of opportunities here at DPC to serve and encourage each other. Some of these opportunities include helping out in a more formal way through various rostered roles. Here's a list of these roles and a brief description of what they involve. Please let us know if you're interested and able to help out.

(Please don't feel like you have to be an expert in any of these areas to sign up, in most cases some training and more info will be provided.)
